1. Penn Medicine Princeton House Behavioral Health Services - Locations: Princeton (Teen Girls), Hamilton & Moorestown. Outpatient Admissions: 888-437-1610
 - a. Adolescent Partial Hospital Program-designed for adolescents with psychiatric problems or a combination of psychiatric and substance abuse problems that impair functioning at home and school. It is a 6 hr. program (9:30 a.m.-3:30 p.m.) 5 days per week
 - b. Adolescent Intensive Outpatient Program (IOP) - designed for adolescents with psychiatric problems/or substance abuse that significantly impair functioning at school or at home. Adolescents attend the 3-hour program from 3:30 p.m.-6:30 p.m. 3 days per week.
Transportation is available to pick up students from schools within defined areas.

2. Archway Programs
D.I.S.C.O.V.E.R. -serves adolescents (12-18) with emotional/or behavior issues that cause interference in their daily living. Provides intervention, strategies, and activities that assist individuals in acquiring appropriate behaviors to re-enter the community.
Partial care services are paid for when medically indicated by Medicaid, NJ Family Care, or in some cases private pay.
Location: Sewell, NJ
Contact information: Veronica Clifton, Supervisor 856-582-3900, request an intake

3. Jefferson Behavioral Health Services – Cherry Hill 1-800-528-3425
 - a. Outpatient Partial Hospitalization Program -This program helps children and adolescents faced with the challenges of mental health and substance abuse issues as they continue living in their home environments. Patients are required to continue to meet their baseline educational requirements as their presenting issues are addressed. Our experienced outpatient treatment team fosters an environment that promotes safe and effective alternative coping skills to prepare the child or adolescent to return to his or her community and school. Patients are also offered individual therapy and medication monitoring.
 - b. Intensive Outpatient Program & After School Program -provides an intensive outpatient program that operates concurrently with the partial hospitalization program Monday thru Friday during the day. Additionally, we offer an after-school intensive outpatient program in the evening that continues to support the patient as he or she returns to school. This program offers psycho-educational and therapeutic groups.

Additional Outpatient Partial Care Programs
