June 20 - Final Issue of the Year

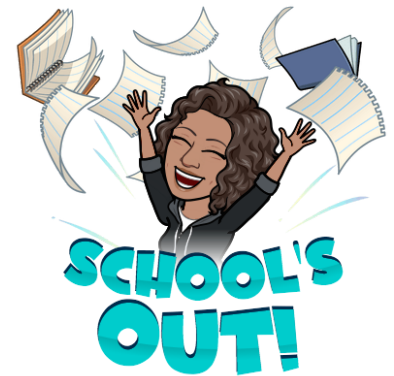

School's Out for Summer!

A Brief Note from the Principal

Dear Beck Community,

Thank you for a great 2022-2023 school year! Although school will be closing on June 21, 2023, we wanted to share information about:

- Summer Reading Assignments
- Summer Math resources
- Athletics paperwork & Nurse's Office paperwork.

Missing clothes, water bottles or other student belongings? The Lost and Found is set up at the Main Entrance. Prompt your student to check for their belongings (pictures below)! All items not claimed by June 23 will be donated.

We also wanted to let you know that Beck will be under construction for a majority of the summer. The Main Entrance will be open but there will be significant construction materials and activities taking place throughout the entire summer. Please make every effort to call the Main Office or Counseling Office before stopping by to drop off paperwork.

Finally, we will send out a few reminders over the summer, some Save the Date information for events & introduce our new staff via a special edition of the newsletter in August. Otherwise, we will not clutter up your inbox!

Thank you for your support & partnership through this year. We are excited for next year and hope you are too!

All the Best,

Ms. M

Summer Math resources - Strongly Encouraged

Summer math assignments are not required but they are strongly suggested. Students entering Algebra 1 would benefit from working with 7th and 8th grade materials as well as the Algebra 1 materials.

Summer Reading - Required!

Summer reading is required for all students. Click the Middle School tab on the top left. Students may choose a book for their assigned grade level and the summer assignment can be completed in Google Drive. TeachingBooks.Net offers study guides and resources for many summer reading books.

Our Beck library website has many resources for you this summer. Don't forget about the Cherry Hill Public Library website, programs and resources as well!
