- All students should be screened using the **Self Screener** prior to coming to school each day. A reminder email will be sent on Tuesday morning to help everyone return to this important daily procedure.
  - Students who are sick should not attend school in person
  - Students must wear masks at all times on the bus and at school
- Students who are enrolled in the Hybrid Model will be marked **PRESENT** if they remain home and log into their classes remotely

### **Students electing to change their Instructional Model beginning February 1st**

As we began the 2020-21 school year, families were asked to select the Hybrid Model of Instruction or the Remote Model of Instruction as the manner in which their children would access their education for the first semester of school; ending on January 29, 2021. Because we continue to offer both models of instruction as we enter the 2nd semester of the school year, we again are asking families to make this choice (i.e. Hybrid or Remote). However, we are not asking that you commit to the model for the entirety of the 2nd semester; instead, we are asking for a commitment for the Third Marking Period.

- **The Third Marking Period begins on February 1, 2021 and ends on April 16, 2021.**

At this time, we are only soliciting information from families who would like to change from their current model of instruction. If you are currently Hybrid and would like to remain Hybrid then you do not need to do anything. Likewise, if you are currently Remote and would like to remain Remote there is nothing more for you to do at this time.

**Only** if you wish to change your current instructional model will you complete this [FORM](#) to indicate your chosen Instructional Model (i.e. Remote or Hybrid)

Please note that all families will have an opportunity to make a new choice of instructional model for the 4th marking period.

If you are uncertain of your current instructional model, please access directions for how to verify your instructional model in Genesis [HERE](#).

Please do not hesitate to contact me with any questions or concerns.

Sincerely,

Dennis Perry, Ed.D.  
Principal
