Dear Parents and Guardians of Barclay Students:

The teachers and staff of Barclay Early Childhood Center have been working all summer in order to get ready for your child's arrival this September. We are looking forward to an exciting year of growth and learning!

Please remember that we are closed on Monday and Tuesday (September 10th and 11th) and will resume our schedule on the 12th. You may want to prepare your child for the start and stop by reminding them on Friday at dismissal that they will be returning to school in a few days! Cherry Hill Schools will also be closed on Wednesday, September 19th.

Back to School Night will be on Monday, September 24th. Two sessions will be held to accommodate parents from the AM/PM programs. The 6:30 program is normally for the AM students, while the 2nd session is for parents whose children attend the PM program. You can attend either, but you will have a better opportunity to meet the parents of your child's classmates if you attend the appropriate session.

During the course of the year, our school is required by law to participate in a variety of emergency drills. One of the drills requires us to walk to an alternative location, while another involves evacuating buses (this drill is required for even non-bussed students). Parents will not be provided with notice when such drills shall take place. Our staff is well-trained for the drills; students' safety is always our first consideration when planning and conducting these exercises.

I look forward to seeing our returning students and welcoming our new students. Please remember to complete the electronic paperwork that will be sent to you from Dr. Meloche, our Superintendent. You will need your child's school ID number to complete the forms. The ID number is located at the top of Genesis page, which was given to you in the Welcome Packet during Meet and Greet. **Remember that you will need your child's ID number as well as a photo ID to gain access to the building each day.**

I look forward to seeing you at Back to School Night!
Sincerely,

Karen Rockhill
