---

Welcome to Cherry Hill Public Schools! WE are excited to have you as part of one of our many athletic programs offered at High School East and High School West. As part of the transfer process for athletes, the NJSIAA has an affidavit requirement. Attached with this letter you will find a copy of the NJSIAA By-Laws Article V- Eligibility of Athletes that outlines the transfer rule in New Jersey. Included in the document are the instructions on how to complete the Student-Athlete Residency Affidavit. This Residency Affidavit is a requirement for any student who transfers from one school district to another and wishes to play on a school-sponsored athletic team. The Student-Athlete Residency Affidavit must be completed, notarized, and submitted to the Athletic Office before the student can be cleared to participate. If you have any questions, please do not hesitate to contact the Athletic Office at the phone numbers listed above.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mike Beirao', enclosed in a light gray rectangular box.

Michael Beirao

Director of Athletics
