BUSINESS AND FACILITIES GOALS:

- Complete the Energy Savings Improvement Plan
- Monitor the 54 SDA projects and establish a priority list should additional grant opportunities become available
- Complete the 14-15 facilities work specified within the strategic planning committee timeline presented to the Board in May, 2014. Update the plan as needed
- Finalize and implement a district plan to support the PARCC initiative
- Implement Year One activities identified in the district sustainability plan prepared in the 13-14 school year
- Engage an energy conservation company to continue to identify ways to reduce energy costs
